Chair Lift Project

Please pray as we reach toward our goal for our basement chair lift.

Annual Bible Reading Challenge

We want to challenge everyone at Wolverine Baptist Church to make a yearly goal to read God's Word all the way through. We have several different Bible reading check lists to help.

William Carey: (1761-1834) was an English Baptist missionary and known as the "father of modern Baptist missions." Carey was one of the founders of the Baptist Missionary Society. As a missionary in the Danish colony, Serampore, India, he translated the Bible into Bengali, Sanskrit, and numerous other languages.

Adoniram Judson: (1788-1850) An American Baptist missionary, who served in Burma for almost forty years. Translated the whole Bible into Burmese and established a number of churches.

David Livingstone: (1813-1873) was a Scottish Congregationalist pioneer medical missionary with the London Missionary Society and an explorer in Africa. Perhaps one of the most popular national heroes of the late 19th century in Victorian Britain. Protestant missionary martyr, working-class "rags to riches" inspirational story, scientific investigator and explorer, imperial reformer, anti-slavery crusader.

J. Hudson Taylor: (1832-1905) A British Protestant Christian missionary to China, and founder of the China Inland Mission (now OMF International). Taylor spent 51 years in China. The society that he began was responsible for bringing over 800 missionaries to the country who began 125 schools and directly resulted in 18,000 Christian conversions, as well as the establishment of more than 300 stations of work with more than 500 local helpers in all eighteen provinces.

Be in prayer as we prepare to send our 12,000 John and Roman Newspapers to every home in Cheboygan County.
