Spurgeon Quotes on Prayer:

- **A true prayer is an inventory of needs, a catalog of necessities, an exposure of secret wounds, a revelation of hidden poverty.**
- **And surely it should be enough to restrain all ‘lightness’ and constrain an unceasing ‘earnestness’ did we apprehend the ‘greatness of the Being’ before whom we plead.**
- **Anything is a blessing which makes us pray.**
- **But if one neglects his closet, then all evil comes of it.**
- **True prayer is an approach of the soul by the Spirit of God to the throne of God.**
