Missionaries of the Past

Charlotte (Lottie) Moon: (1840–1912) was a Southern Baptist missionary to China with the Foreign Mission Board who spent nearly forty years (1873–1912) living and working in China. As a teacher and evangelist she laid a foundation for traditionally solid support for missions among Baptists in America.

Amy Carmichael: (1867–1951) was a Protestant Christian missionary in India, who opened an orphanage and founded a mission in Dohnavur. She served in India for 55 years without furlough and wrote many books about the missionary work there.
