Missionary of the Week Schildknecht Family ~ Thailand

Dear Family and Friends,

We cannot express how much we appreciate and need you all to pray for us. It has been exciting to see God working here. Words cannot express how God is working right now. We beg you to continue to pray for us.

News from a foreign land: This is a friend of ours. His name is Dom. This year he is 66 years old. We help his grandson with his English homework. We are close to his daughter and grandson. Last month we got a call stating that he was in the hospital. We went over to visit him and his family. It was our first time meeting him personally. The doctors told him that he was not long for this world. We asked the folks to pray for him. After this meeting, he went home. We never got the opportunity to see him again. One Sunday after church, our neighbor told us that she was going to go see Dom. We asked her to take read him our tract with the plan of salvation. The next day, we got the call that Dom had died. We were very sad. On Wednesday, we went out to the ceremony. His daughter met us, sat down and talked with us for a while. Before we left Dom's daughter told us that the day before Dom died, our neighbor read him the tract and he asked Jesus to forgive him of his sins. Glory to God in the Highest!!! What great news this is, amen!!! One of these days, you are going to get to meet this guy. He will be able to thank you in person. God is soo good, glory to His Holy Name!

Thank you so much for your love for us. Once again, we beg you to pray for us. May God bless you.
